I understand that Reality Check, Inc. has been invited by my child's school to teach X-Factor Curriculum. I am aware that they would like to discuss Five (5) lessons with my child: Chapter one students will learn about resisting negative peer pressure, exercising leadership and being a positive influence. Chapter two students will focus on goal setting and boundary setting. Chapter three students will learn about the risks of STDs and HIV/AIDS. Chapter four students will look at the concepts of respect, self-control, and integrity/honor. Chapter five students will apply the concepts learned to their personal lives.

I **DO NOT** want my child to participate in this program.
